

GAUSHALA

Hunger remains one of the greatest challenges facing humanity.

RSKF initiative works tirelessly to ensure care, nourishment, and dignity for every cow under our protection.

Reviving India's
Sacred Legacy

ABOUT US

Providing services to the existing Gaushalas is the powerful vision and values of our father, **Mr. Nand Kishore Arora**, is his devotion for the welfare of cows in need.

Currently, our Foundation is supporting **five Gaushalas**, where we ensure regular medical care for stray cows and provide continuous support to experienced veterinarians and dedicated caretakers who look after the cows at regular intervals.

At Your Service

HOW YOU CAN CONTRIBUTE

You can be a part of this noble cause and make a meaningful impact.

DONATE TOWARDS MEDICINES

Support the cost of medicines and treatments that ensure our cows remain healthy and protected from illnesses.

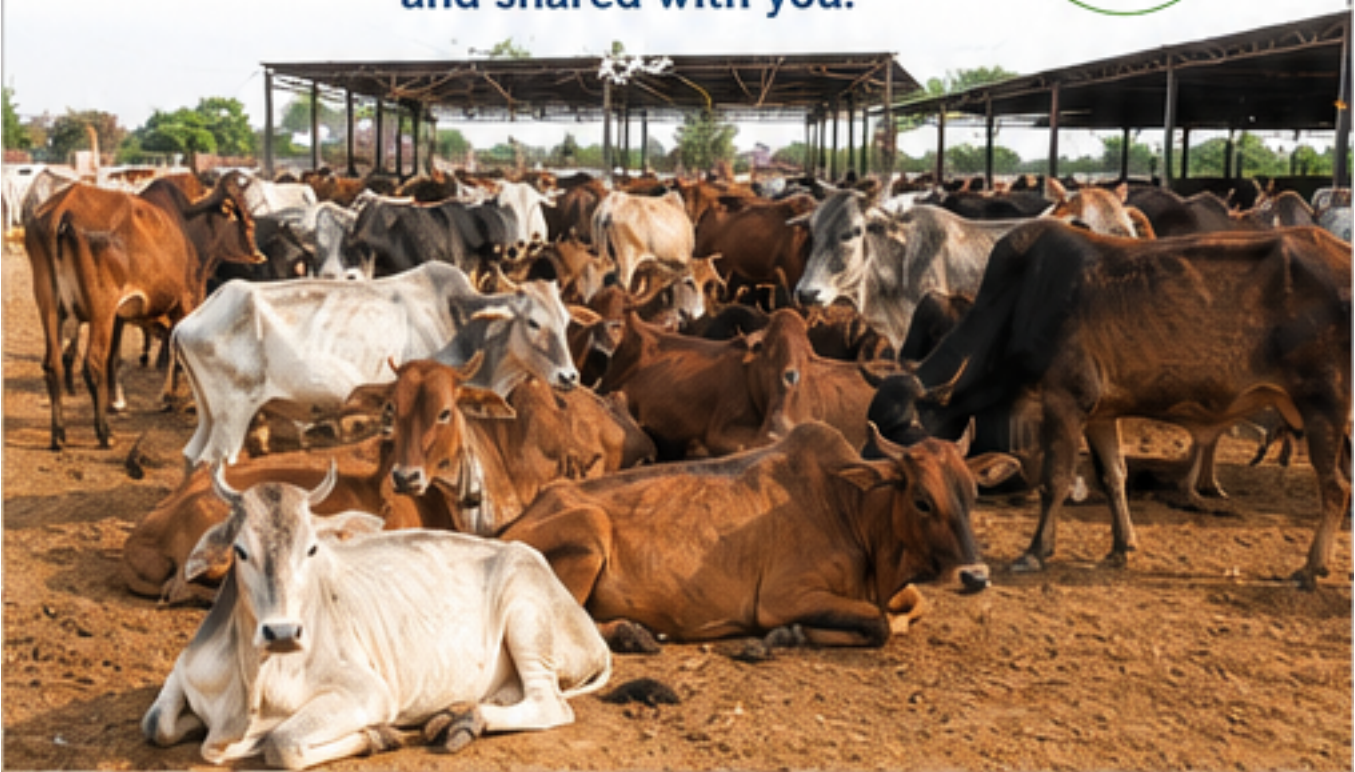

SUPPORT CARETAKERS' SERVICE FEES

Help us support the dedicated caretakers who selflessly serve and look after the cows every single day.

For every donation, a proper bill/receipt will be generated and shared with you.

TRANSPARENCY & UPDATES

Additionally, we will provide you with the contact details of the concerned coordinator, who will personally assist you by sharing photographs, updates, and transparent details of how your contribution has been utilized for the specific cause you chose to support.
